

Botany  **Petcare**

YOUR RELIABLE PET FOOD PARTNER

We are the leader

In pet food and supply OEM manufacturer in Thailand and South East Asia. Our management and staffs are well-equipped with knowledges and experiences in pet food and agricultural industry. Guided by quality principles, our OEM service is fast and reliable.

On-site laboratory and R&D facility allow us to develop our own additives including unique palatants. The additives are used in the process along with quality ingredients to ensure that our foods are served with both palatability and wellness for your companions.

Well-established in the domestic market

We are now exporting to other Asian countries and expanding to other markets.
